Dear Sir:

Applicant's Attorney of Record has received a *Notice of Abandonment* in the above referenced case. Applicant respectfully submits that the Notice of Abandonment was issued in error due to the fact that the Office Action mailed March 24, 2003 was never received by Applicant's Attorney of Record and was unavoidable. Applicant requests that the holding of abandonment be withdrawn. The details follow.

Discussion

On September 24, 2003, Applicant's Attorney of Record received a telephone call from Examiner Monica Carter questioning if Applicant had responded to the Office Action mailed March 24, 2003. In review of file it was

OFFICE OF PETITIONS

noted by Applicant's Attorney that the Office Action mailed March 24, 2003 was not received by Applicant's Attorney.

Please note that Applicant transferred prosecution of application US Serial No: 09/690667 From Schwegman, Lundberg, Woessner & Kluth P.A. to Altera Law Group unfortunately around the time of mailing of the Office Action. Altera Law Group now being Attorney of Record. Upon telephone call from Examiner Carter, Altera Law Group placed a call to the Schwegman Law Firm inquiring about receipt of Office action. Altera Law Group was informed that an Office Action mailed March 24, 2003 had been received by the Schwegman Law Firm and that it had been forwarded on to Altera Law Group; however, had been addressed incorrectly to Altera Law Group and therefore returned to the Schwegman Law Firm by U.S. Mail (please see letter dated April 9, 2003 from Schwegman Law Firm and envelope date stamped 4/9/2003 providing proof of such). Pursuant to Examiner Carter placing a phone call on September 24, 2003 to Applicant's Attorney of Record and in turn Altera Law Group placing a call to the Schwegman Law Firm the Office Action was forwarded to Altera Law Group at the correct address (please see enclosed envelope date stamped 10/2/03 providing proof of such).

Enclosed with this petition is a statement by the applicant's attorney of record indicating that the Office Action was never received. Also enclosed is a copy of the docket record showing docket entries for the date the nonreceived Patent Office communication would have been entered had it been received and docketed. See MPEP §711.03(c)II

Remarks

It is believed that this petition is timely filed under 37 C.F.R. §1.181(f) since the Notice of Abandonment was received on October 2, 2003.

As soon as applicant became aware of the abandonment of this application, immediate steps were taken to determine the reasons therefor, and to have the application revived by way of the instant petition. Applicant's petition is accompanied by a verified showing of the reasons for the unintentional abandonment. Permission is hereby given to charge Deposit Account Number 50-1038 a petition fee if the Office deems that such fee is required.

For the above stated reasons, Applicant respectfully requests that the holding of abandonment be withdrawn and that notice of same be transmitted to Applicant's Attorney of Record.

Respectfully submitted,

Altera Law Group, LLC
